

Geneva Arts Fair

Patron of the Arts Program

The Geneva Arts Fair is pleased to offer a Patron of the Arts Program. Each patron has received a gold coin (picture below) to be utilized throughout the show this weekend. Each coin is worth \$50. If you receive a coin from a patron here is how you redeem:

1. Pick up white redemption envelope from the Information Booth anytime during the Art Fair.
2. Place your coin(s) in the envelope. On outside write # of coins in envelope, your address and who check should be made out to and seal it.
3. If you return it by noon Sunday, July 23 to the Information Booth, we will try and turn the check around to you today. Otherwise, a check will be mailed to you on August 3.

Please treat the coins like cash. If the purchased item is not \$50 exactly, give the patron cash back. When you turn in the coin, you will be reimbursed \$50/coin.
